She goes to in time to be sent to Lisbon on the vessel which sails about the 5th, but they would probably be taken there by the vessel sailing on the 20th, which is to-day. It takes and soon it was entirely useless. The wind and it will be of great assistance in saving four or five days for a vessel to reach Lis-The partment, and trust they will be regarded as worth of recognition. Lieut. Wilson sengers may also have been picked up by bon; we would not hear anything of a sailing vessel which may land them at some port that would take a long time to a steamer to take to San Francisco the reach. If they are lost, I will stick to the Vandalia's crew and others of the squadron belief that they were first rescued from the stemed to come in through the hawse who are sick and disabled. By the Danmark, and that the ship rescuing them had afterwards perished-a rather improbable thing to happen.'

BOULANGER FIRED.

Out of Belgium. BRUSSELS, April 20.-Gen. Bonlanger has decided to leave Belgium. He will And when outside, during a period start for London on Wednesday next. warning given him by the government that if he did not leave the country he would be expelled.

M. Bouree, the French ambassadar, yesterday informed Prince Dechimay, Minister of Foreign Affairs, that the meeting of the Boulanger Committee in Brussels impressed the Paris government unfavorably. The cabinet thereupon sent an official to government would expel him. After consulting with M. Rochefort, Gen. Boulanger consented to leave. The other Boulangist leaders in Brussels will accompany him.

A National Holiday for France. PARIS, April 20.-The French diplomatic agents abroad have been instructed by the government to give a national general in 1789. They are therefore in-
